Munglinup Bucket List

1 Oldfield Estuary

Enjoy bream fishing, kayaking, walking and bird watching. Common birds to spot include black swans, pelicans, eagles and kites. You may spot less common hooded plover and blue billed ducks.

Stretch your legs and follow the nature walk trail along the Estuary, ending at the lookout. This is a great way to discover the wildflowers in season.

2 Sandbar

The sandbar at the end of the Estuary is a great place for beach fishing and walking. You can walk down to the water or use the 4WD tracks. The sand here is perfect for beach combing.

3 Munglinup Beach

The lagoon here forms a natural pool perfect for sheltered swimming and snorkelling At low tide you can explore the reef. This is a good spot for beach fishing too. Take a stroll along the waters edge to the sandbar.

4 Whale Beach

You can walk to Whale Beach from Mungy Beach or take the track leading to the Tea Trees (2wd accessible), you can park here and walk over the sand dunes. Whale Beach has great rock pools to explore near the point and is a good fishing spot too.

5 Darkies Beach

This short beach features large reefs making it ideal for surfing and beach fishing.

6 Christies Beach

A wide, flat beach great for 4WD driving along when the tides right. Fishing, surfing and snorkelling near the rocks. Keep an eye out because dolphins are regular visitors.

Go West	Go East
32km Starvation Bay	30km Margaret Cove, Torradup Inlet & Skippy Rock
